# 2013–2014 Residential Sanitation Guidelines & Curbside Pickup Schedule

Special  
Pullout Section  
Schedule Inside!

Items for collections should be placed at the curb between **6am – 8am on the day of collection.**

## Regular Collection

Typical garbage should be placed in metal or plastic cans with lids and should not weigh more than 75 lbs. Loose items should be put in containers or tied, to prevent scattering or being blown by wind.

**Bulk Pickup:** Large (nonmetal) household items such as mattresses, furniture, etc., will be picked up at the curb on the second day of your garbage pickup. A maximum of 10 minutes will be spent at any one location to maintain the City-wide schedule. In the Automated Side Loader program areas, large items will be picked up by the City's Bureau of Sanitation with a prior appointment, call 422-1217. This helps avoid having an additional truck driving through the entire truck route unless it is needed.

**Recycling:** Place your recycling containers at the curb for pickup on your scheduled recycling day. See page 12 for detailed information!

- Paper products, cardboard, and clean papers for recycling are picked up on Wednesdays, except during holiday weeks, as noted on the Sanitation Calendar.
- Commingled recycling/Blue Bin Recycling: clean bottles, cans and jars, and plastics numbered 1–7 are picked up on the second day of your scheduled garbage pickup.

## Automated Side Loader (ASL) Collection

As of 2011, Automated Side Loader sanitation trucks were introduced to certain neighborhoods throughout the City. Although the garbage and recycling schedule is the same, there are some differences:

- **Residents receive two ASL containers:** One for household garbage and one for commingled recycling. These are light weight, heavy duty rolling carts with lids attached. Commingled recycling should not be put to the curb unless the cart is full. Loose trash outside of these containers is not picked up without an appointment.
- **Bulk pick up must be scheduled ahead of time:** Call 422-1217 to schedule.
- **Paper and cardboard items do not receive a special bin:** These items are still placed at the curb either in a paper bag, cardboard box or your old blue recycling bin on recycling Wednesdays.

Is your cart too big or too small? **ASL Rolling carts come in three sizes.** Call 422-1217 if you think you need to make a change.

## Yard Waste and other Garbage

**E-Waste:** NYS law prohibits "covered electronic equipment" from being disposed of as garbage. Violations can incur up to \$250 per incident. White Plains residents may dispose of electronic items, including monitors, hard drives, keyboards, etc., at the Gedney Recycling Yard, 87 Gedney Way. See page 4 for information.

**Mattress Disposal:** To curb the spread of bedbugs, the Bureau of Sanitation requires all City residents to fully encase all mattresses or box springs within a sealed plastic bag when discarding them for curbside collection.

**Yard Debris:** Grass clippings, small brush, twigs, plants, and flowers are collected curbside, every other week as noted on the schedule as "Brush Week." Use BIODEGRADABLE paper bags or

a CONTAINER with the "Compostable" sticker affixed to it, and place it at the curb no later than 8 a.m. on the day of pickup. Call 422-1206 for your free compostable sticker.

**Loose Leaves.** Loose leaf pickup is from October 11–December 1. Loose leaves will be collected from the property side of the curb every 10-15 working days. Residents and landscapers are cautioned not to pile leaves in the street as they are dangerous to motorists, cyclists, and children, and they clog vital storm drains in adverse weather.

**Containerized Leaf Pickup.** Want FASTER LEAF PICKUP? Leaves placed in biodegradable paper bags or in compost containers will be picked up every 3–5 working days. 40-gallon bags are available to White Plains residents at the Gedney

Way Recycling Yard in lots of ten, at a cost of \$5.00 per lot. (Checks only please.) Smaller, 30-gallon bags are available at supermarkets, and home & garden supply stores.

**Unacceptable Items** The City will NOT collect the following items: Brick, stone, concrete, plaster, tile, dirt, or similar construction or building debris. Car parts, tires, oils, compressed gas cylinders, hazardous or toxic materials, large tree limbs, stumps or logs, liquids of any kind (paints, oils), medical waste, pipes or poles, propane tanks, recycling mixed with garbage, renovation materials, fencing, treated wood, or any item designated by Westchester County as not collectable. Please make other arrangements with a private carting company for disposal. **See page 5 for Household Material Recovery Information!**
